Dear Betsy and Vin,

Viva Brasil STL, a nonprofit organization 501(C-3), is hosting its largest fundraising activity - "3rd Annual *Festa Junina*" (a June Folk Festival).

This "Harvest festival" is a large celebration that takes place in Brazil, and is as important to the Brazilian culture as the *Carnaval* celebration (Mardi Grass) that takes place during Lent. This fun filled family event will be attended by over 400 people from the St. Louis Community, and will be held at the Kirkwood Community Center.

Acknowledging your importance as one of St. Louis key local opinion leaders, we would like to share our excitement about the upcoming *Festa Junina*, hoping that it could be of interest to you and your audience. If you can help us by spreading the word we would be incredibly thankful.

Attached we provide more detailed information along with everything you need to know about this amazing event.

Thank you for your attention and help. We look forward to seeing you at *Festa Junina*!
