

Want to make a difference in the life of a senior?

Home is where the heart is for most seniors but to live safely at home, many need your help. Your smile, your touch, your companionship and your homemaking skills can bring joy to their days. And in helping seniors you gain much more than just a paycheck. You will be truly appreciated. You'll know you are making a difference in the lives of others...and you'll know your work matters.

At Good Samaritan Senior Care you'll have:

- A schedule that fits your availability
- Part time hours, days, nights, weekends
- Excellent training and certification in Companion Care
- A Team approach that will support you
- The opportunity to interact with your clients on a personal level.
