## Algonquin Nurses

**Wants to help take care of  
you and / or your  
love one. We are so much  
more than Nursing care alone!**

**Celebrating Over 25 Years  
of Services 1987**

### **Do you have a passion for making a difference in someone else's life?**

**If you are retired, need extra money, want to work full  
or part time, this is the job for you!**

**Algonquin Nurses Home Health Care is a well established Home Health  
Care Company. We are recruiting for LPN's and RN's to work in our  
Medicaid Department under our, "Health Children Youth" Program.**

**The HCY Program provides service coordination and authorization for medically necessary  
Services for children with special health care needs from birth to age 21. Service  
coordination includes assessment through home visits and links to services and resources  
that enable children to remain safely in their homes with their families. Authorized services  
may include in-home personal care, in-home nursing care and skilled nursing visits.**

**Must have a caring, empathetic attitude for the young recipients of the HCY Program.  
If you are a retired Nurse or need extra income and you possess the above qualities,  
this will be a great opportunity for you to enrich your life and earn additional income  
for your family.**

**Must be well groomed and professional. Have (1) year experience in this type of  
field. A clear background screening and clean drug test need only apply.**
