Memory Care Home Solutions

Operations Specialist

Organization Overview

Memory Care Home Solutions is a 501(c)(3) nonprofit organization that exists to extend and improve quality time at home for families caring for loved ones with memory loss, dementia, or Alzheimer’s disease. This mission is realized through a unique evidence-based intervention that pairs home-based caregiver training, dementia care education, and safety assessment with ongoing family follow-up and resource referrals. As a result, family caregivers are equipped to provide the best possible care to their loved ones, to effectively manage stress, and to sustain meaningful relationships within the family. Memory Care Home Solutions actively partners with Missouri stakeholders to minimize health care utilization costs at the individual, community, and institutional levels.
