Take Control of Your Education

Opportunities for Student Leadership,
Career Planning & Financial Literacy

Student Leadership

Webster LEADS is an on-going application of scholarship and practical leadership experience empowering our diverse student population to develop and excel as global citizens.

Achieving the Leadership Certificate requires completion of the five core areas below and repetition of any two of them:

- Leadership Classes
- Leadership Retreats
- Professional Development Workshops
- Service Learning Project
- Practical Leadership Experience

Joining clubs and organizations on campus can provide a unique leadership opportunity for your educational experience and can contribute to your practical leadership experience for Webster LEADS.

Career Planning

The Career Planning & Development Center (CPDC) assists individuals with exploring and defining their personal career goals while developing the skills and confidence to succeed after graduation.

STEPS TO CONSIDER TAKING:

- Meet with professors and students in your academic majors of interest to explore options for academic majors
- Discuss options for career paths and interview people who work in jobs or industries that interest you
- Create a Service Learning Project that connects to your academic major
- Develop your resume and cover letter
- Improve your interviewing skills
- Create a target list of employers
- Build your network
- Join a professional association
- Learn how to identify open internships/jobs
- Submit applications

Money Talks

Money Talks Program has regular seminars and online courses to teach key skills for financial success and assist in developing, implementing, and improving students' financial literacy.
